PROFILE

Experienced front-end developer skilled in creating responsive, user-friendly websites. Driven by results and proficient in technologies such as JavaScript, HTML, CSS, and frameworks like Next.js, Bootstrap, and Angular. Passionate about problem-solving and delivering high-quality code to meet business needs.

WORK EXPERIENCE

Junior Front End Web Developer Intern

Kenmark ITAN Solutions | Mumbai, Maharashtra

July 2023 — Present

- Six-month **Angular** intern, collaborated on responsive web features with **Bootstrap**, **NextJS**, **React, Angular, JAVASCRIPT**. Partnered with designers, back-end developers.
- Ensured cross-browser compatibility for a seamless and consistent user experience across different platforms.
- Actively participated in version control using **Git**, facilitating efficient and collaborative development processes.

PROJECTS

Next.js E-Commerce Website View in GitHub

- **Setup & Core Features**: Installed and configured Next.js, designed responsive layouts and navbar using Tailwind CSS, and implemented search functionality, UI components, and a custom product slider with filters and pagination.
- **Product & State Management**: Built detailed product pages, a sliding category list, and a footer, integrated Wix Headless E-Commerce for product fetching and user authentication and used Zustand for managing cart state.
- **Advance E-Commerce Capabilities**: Built detailed product pages, a sliding category list, and a footer, integrated Wix Headless E-Commerce for product fetching and user authentication and used Zustand for managing cart state.

Employee Registration View in GitHub

- **Complete CRUD Operations**: Implemented a full suite of CRUD operations (Create, Read, Update, Delete) within an NextJS project using Next.js for server-side rendering.
- **MongoDB Integration**: Successfully connected the NextJS application with MongoDB, enabling efficient data storage and retrieval.

- **Next.js Implementation**: Utilized Next.js for server-side rendering, enhancing the application's performance and providing a seamless user experience.

EDUCATION

Bachelor of Science in Information Technology, University of Mumbai
